UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

GETTY IMAGES (US), INC.,

Plaintiff,

-against-

ADVERNET, INC.,
f/k/a VR MARKETING, INC.,

Defendants.

Plaintiff, Getty Images (US), Inc., by its undersigned attorneys Satterlee Stephens Burke & Burke LLP, for its Complaint against Advernet, Inc., formerly known as VR Marketing, Inc., alleges, upon information and belief, as follows:

PARTIES

1. Getty Images (US), Inc. ("Getty Images") is a New York corporation with its principal place of business at 601 North 34th Street, Seattle, Washington.
2. Defendant Advernet, Inc. ("Advernet") is a corporation whose business includes designing, publishing, and managing websites and online marketing campaigns. Upon information and belief, at all times relevant to the allegations in this complaint, Defendant maintained a place of business in the state of South Carolina.

JURISDICTION AND VENUE

3. This Court has jurisdiction pursuant to 28 U.S.C. § 1331 (federal question) and 28 U.S.C. § 1338 (copyright) in that this case involves claims brought under federal copyright law, 17 U.S.C. § 101 et seq.

4. Personal jurisdiction and venue are proper in this District pursuant to 28 U.S.C. §1400(a) because Defendant may be found in this District.

BACKGROUND

5. Plaintiff Getty Images is one of the world's leading content providers, supplying high quality, relevant imagery and related services to advertising agencies, graphic design firms, and film and broadcasting companies, to editorial customers involved in newspaper, magazine, book, CD-ROM and online publishing, and to corporate marketing departments and other business customers. Getty Images generates revenue from licensing the rights to use its imagery and from providing related services. Revenue is principally derived from a large number of relatively small transactions involving licensing rights to use single still images, film clips or CDs containing multiple images.

6. Most of the images in Getty Images's creative collections are obtained from independent photographers and filmmakers on an exclusive basis. Professional photographers and filmmakers prefer to retain ownership of their work. As a result, copyright to an image remains with the contributing photographer or filmmaker in most cases.

7. Getty Images was the first company to license imagery via the Internet and today delivers virtually all of its visual content digitally. Getty Images's web site, gettyimages.com, serves an average of 3.2 million thumbnails, 6.5 million visits and 3.5 million unique users in addition to an average of 167 million page views each month. Visitors to Getty

Images's web site can search through and view hundreds of thousands of images and obtain licenses for those images online.

8. Upon information and belief, Advernet owns and operates a web site at <http://www.vrmarketing.net>. Defendant Advernet holds itself out to be a "one stop shop to handle all of your website needs...[f]rom website production to hosting to 3D animation," <http://www.vrmarketing.net>, and claims to have "designed websites and initiated online marketing campaigns for clients in Myrtle Beach, Hilton Head, Charleston, Florida, California, and New York to name a few" *Id.* Advernet lists "Photography" and "Aerial Photography" among the categories of products and services it offers, <http://www.vrmarketing.net/contact.php>. Advernet directs its marketing efforts towards individuals residing in all parts of New York and in this district and those individuals who are "interested in establishing an E-commerce presence" are invited to email Advernet at shop@vrmarketing.net.

9. On June 2, 2006, Getty Images notified Advernet of an alleged instance of unauthorized use of one image, Image No. wa0173-001, by Advernet on its website <http://www.myrtlebeachgolfsc.com>. On July 5, 2006, Getty Images and Advernet entered into a Settlement and Release Agreement with respect to the use of Image No. wa0173-001 and Getty Images reserved its rights with respect to any unauthorized use of photographs or images not previously disclosed by Advernet and for any infringement occurring after June 13, 2006, including any infringement of Image No. wa0173-001.

10. In September 2006, Getty Images discovered that Advernet had obtained copies of eight images exclusively licensed to Getty Images (and not covered by the settlement and release agreement) and had incorporated those images into a web site designed, published, and managed by Advernet for Coquina Hotel, Ltd., at <http://www.holidayinmyrtlebeach.com>.

This use was continuous and ongoing until at least September 25, 2006. Advernet began using at least four of these images in August 2004 and had been using all eight of the images at least since May 18, 2006. In December 2006, Getty Images discovered copies of an additional two images exclusively licensed to Getty Images (and not covered by the settlement and release agreement) incorporated into the web site of Coquina Hotel, Ltd. at http://www.holidayinmyrtlebeach.com/hotel_vacation_packages.html and http://www.holidayinmyrtlebeach.com/hotel_meeting_rooms.htm. Advernet's use of the ten images was unauthorized and violated the rights of Getty Images and of the authors of those images.

11. In September 2007, Getty Images discovered an additional thirty-three images exclusively licensed to Getty Images (and not covered by the settlement and release agreement) of which Advernet had obtained copies and incorporated into seven web sites designed, published, and managed by Advernet.

12. Thirty-five of the images Advernet copied and incorporated into the web sites it designed, publishes, and manages have been registered with the United States Copyright Office.
